

Most Independent · **API Audits** · Highest Quality

Highest Quality API Audits by Diapharm

Diapharm guarantees high quality audits which are performed by an accredited auditing company.

This auditing company is Blue Inspection Body – an independent and ISO 17020 (Type A) accredited auditing company. They are accredited by the German accreditation body (Deutsche Akkreditierungsstelle).

Blue Inspection Body delivers the audit report regardless of the audit result and is commercially independent of API supplier and client.

This ensures the highest:

- **Quality of audits**
- **Level of independence**
- **Acceptance by authorities worldwide**

Most Independent 4-way Audit System

Your benefits:

- Highest quality (Type A accredited)
- Cost-effective audits
- More time & capacity for your Quality Department
- Internationally recognized API-specific reports

Our API Audit Services

Europe's most independent and highest quality audit service.

Diapharm organizes audits according to your requirements. We are pleased to manage your audit plan and co-ordinate re-audits.

Our services include:

- **API-specific audit report, auditors CVs, CAPA plan & declaration**
- **Worldwide audits with qualified auditors and translators**
- **Travel costs included**
