

Pharmaceutical service provider expands its borders: Diapharm opens office in Austria

Vienna (AT), Münster (DE), 17. October 2011. Pharmaceutical service provider Diapharm (www.diapharm.com / www.diapharm.at) is continuing its international expansion. In October 2011, Diapharm Austria GmbH opens for business in Vienna. Diapharm advises pharmaceutical companies across Europe on approvals and the management of medicinal and consumer health products. It offers services in the fields of Regulatory Affairs, Medical & Clinical Development, Quality Management and Business Development. In addition to Germany and Austria, Diapharm also has offices in the UK and Romania.

“We have been working for Austrian companies for a long time, and with our office in Vienna we now have a local presence,” explains Diapharm’s CEO Dr Stefan Sandner. “At the same time, we want to use Austria as a base to expand further into south-eastern Europe.”

Director of Diapharm Austria GmbH is Dr Irina Hase. With a PhD in Biology, Dr Hase joins Diapharm from Kwizda GmbH in Linz (Austria), where she was Qualified Person. Before this, she worked in the Quality Control department at Schering Plough. Dr Irina Hase studied at the Universities of Graz (Austria) and La Laguna (Spain) and obtained further qualifications in Quality Management at the University of Vienna before completing her PhD at the University of Heidelberg (Germany). *(approx. 1,330 characters)*
