

Diapharm strengthens team for batch releases and pharmaceutical technology with Dr. Alwin Sobe

Bielefeld (DE), Münster (DE), 17 January 2012 – Pharmaceutical service provider Diapharm (www.diapharm.com) is expanding its team for GMP services with the addition of Dr. Alwin Sobe. As Senior Manager GMP Services and Qualified Person, his responsibilities will include the batch release of medicinal products for various pharmaceutical companies. Based in Bielefeld (Germany), he will also advise medicinal product manufacturers on technological issues and about Good Manufacturing Practice. Diapharm provides support within the areas of regulatory affairs, development, quality and business development to companies in the health product industry.

Dr. Alwin Sobe is joining Diapharm from Haupt Pharma Wülfing GmbH in Gronau, where until the end of 2011 he was Head of Pharmaceutical Development, as well as Qualified Person and responsible manager for Controlled Drugs. With a PhD degree in Pharmaceutical Technology, he had previously been employed by Solvay Pharmaceuticals for two decades, both in Germany and the USA, ultimately working as Head of Clinical Supplies at the Hannover office. Dr. Alwin Sobe studied pharmacy in Braunschweig and obtained his PhD degree from its Institute of Pharmaceutical Technology.
