

## Changes to senior management at Diapharm

**Münster (DE), 19 December 2014** – Pharmaceutical service provider

Diapharm is restructuring its senior management. Ralf Sibbing will continue as sole General Manager. Martin Vortkamp will leave the company by mutual agreement. Diapharm founder Dr. Stefan Sandner cited a difference in opinion regarding the strategic focus of Diapharm as a leading service provider and consulting firm for the consumer healthcare and pharmaceutical industry as the reason for the decision. Martin Vortkamp joined Diapharm in 2009 and held a variety of positions at the company before being named Co-General Manager in 2012.

Founded in 1988, the company supports and advises companies from the pharmaceutical and healthcare industry on regulatory, medical, pharmaceutical and quality assurance matters. Diapharm employs a staff of more than 100 at locations in Germany, Austria, the United Kingdom and China.
