

Diapharm Shanghai to strengthen pharmaceutical exchange at its new offices in Shanghai

Münster (DE), Shanghai (CN), 11 June 2015 – Diapharm's offices in China

(<http://cn.diapharm.com>) are moving: "Our activities in Asia are developing

very positively," says General Manager Ralf Sibbing. "We will continue to

expand this presence with our new office on XianXia Road in Shanghai."

Diapharm supports medicinal product manufacturers in the marketing authorisation and maintenance of medicinal and healthcare products in its role as a consultancy firm and a pharmaceutical service provider. In China, Diapharm is a point of contact for the roughly 2,400 member companies of the China Chamber of Commerce for Import & Export of Medicines & Health Products (CCCMHPIE).

Cooperation with CCCMHPIE

Diapharm and CCCMHPIE will sign the cooperation agreement at CPhI China.

The pharmaceutical industry exhibition and conference is scheduled to take place in Shanghai, China, from 24 to 26 June 2015. "We will bring fresh impulses to both cultures' pharmaceutical and healthcare industries with our unique knowledge of the European and Chinese markets for medicinal products" Ralf Sibbing emphasises.

New interest in traditional medicines in both Europe and China

Diapharm's offices in China advise and support Chinese medicinal product manufacturers in a number of areas, including their plans to market their products in Europe. The company's range of services includes consulting and assuming responsibility for day-to-day business tasks, such as quality management, performing manufacturing audits and gaining marketing authorisation in accordance with EU law. A growing number of Chinese companies are working on establishing traditional European medicinal
