

## Dr Stefan Leyers is the new Senior Manager Regulatory Affairs at pharmaceutical service provider Diapharm

**Münster (DE), 15 October 2015** – The pharmaceutical service provider and consulting firm Diapharm ([www.diapharm.com](http://www.diapharm.com)) has recruited Dr Stefan Leyers to join its regulatory division. He will advise pharmaceutical companies on national and international regulatory matters and assist them in establishing and maintaining the related dossiers. Dr Leyers is a registered pharmacist who has also earned a doctorate. “We are thrilled to have another highly qualified marketing authorisation expert on board who is the perfect addition to our Regulatory Affairs team,” says Ralf Sibbing, General Manager of Diapharm.

Dr Stefan Leyers has many years of experience, which he gained in the regulatory departments of Johnson & Johnson (Germany) and MEDICE (Germany). Before that, he worked at the German Federal Institute for Drugs and Medical Devices. Stefan Leyers completed a pharmacy degree at the University of Bonn, where he earned his doctorate in the same field. He also completed supplemental post-graduate degree courses in Clinical pharmacy, a Master of Drug Regulatory Affairs and Manager Regulatory Affairs Medical Devices International from Ulm University of Applied Sciences.
