

Ralf Sibbing takes over as General Manager of Diapharm Analytics GmbH

Dr Sven Oliver Kruse now responsible for central sales at Diapharm

Münster, Oldenburg (DE), 21 December 2015 – Dr Sven Oliver Kruse has been appointed Central Director at pharmaceutical service provider Diapharm (<http://uk.diapharm.com>) and is responsible for central sales with immediate effect. “Solid customer relationships are absolutely essential for a consulting and services company such as Diapharm,” says Dr Sven Oliver Kruse. “By creating the role of Central Director, we have established a function to offer our clients our full range of services from a single source.”

Dr Sven Kruse’s previous role at Diapharm was General Manager of the service laboratory Diapharm Analytics GmbH in Oldenburg (Germany). This role will now be filled by Ralf Sibbing, who also manages the Diapharm parent company in Münster (Germany). As Technical Director, Dr Serap Açikgöz is responsible for the day-to-day management of the laboratory team in Oldenburg.
