

Dr Guido Middeler takes over management of HÄLSA Pharma GmbH

Lübeck (Germany), 31 January 2020 – Dr Guido Middeler has taken over management of HÄLSA Pharma GmbH and its locations in Lübeck and Münster with immediate effect. The company is a subsidiary of Diapharm (www.diapharm.com), the pharmaceutical consultancy. HÄLSA Pharma performs regulatory functions for a wide range of customers from the pharmaceutical industry with regard to the approval and marketing of medicinal products and medical devices. From the application as a pharmaceutical company to batch releases and the safeguarding of vigilance requirements, HÄLSA offers an all-round carefree package for medicinal products as well as for medical devices. In addition, HÄLSA assumes full responsibility as a legal manufacturer and acts as the European Authorised Representative on behalf of its clients.

Dr Guido Middeler previously led the medical devices team at Diapharm. He is taking on the additional task as General Manager of HÄLSA Pharma GmbH as part of the restructuring of Diapharm initiated by its Managing Partner Dr Thilo Sandner.
